

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

NOVEMBER 3, 2004

The Foothill Unity Center (Center) collects and distributes food, toys, clothing, and motel vouchers. The Center also makes referrals and serves as an advocate to individuals and families in crisis in Monrovia, Arcadia, Sierra Madre, Bradbury and Duarte. Founded in 1980 and incorporated as a 501 in 1991, the Center has requested the use of the vacant courthouse located at 300 West Maple Avenue in Monrovia, California in order to collect, package and distribute holiday fare. The Center will need the vacant court facility from November 11, through December 31, 2004.

I, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS:

1. Make a finding that the vacant Monrovia court facility is not currently needed for any County purposes.
2. Waive any fees associated with the use of the Monrovia Courthouse for the period of November 11 through December 31, 2004, exclusive of liability insurance.
